SO YOU WANT TO OWN YOUR OWN PROFITABLE BUSINESS?

Farmington (NM) nonprofit, Capacity Builders Inc., invites the DINÉ community to attend a free workshop on starting and growing one's business on the Navajo Nation. As made possible with a grant from USDA, Capacity Builders Inc. will be providing lunch, and in-depth training on business development. Attendees will enjoy learning about business planning and management basics and will have the opportunity to connect with entrepreneurs in the community. You will also take an entrepreneurial fitness test to see if you have what it takes to start a successful business. The program that makes these workshops possible is called the Six Northern Navajo Chapters Economic Opportunity Initiative (6CEO). It is our goal to support the DINÉ to enhance one's income, business profitability, and economic independence. No strings attached. We can't wait to spend the day with you! We accept registrations on a first come basis due to limited space.
